**“...and you are to give him the name Jesus,
because he will save his people from their sins.” Matthew 1:21**

Dear friends,

How wonderful: **The Name of Jesus** means **saviour!**

=> Even though Joseph didn't understand many things from this dream, in the difficult situation he had found himself = his fiancé was pregnant = still one thing was clear for him:

God is the SAVIOUR!

=> Sometimes the circumstances of our life seem impossible, we don't see a way out => but with God there is one = his name is **JESUS!**

For a while now Philippus was affected by evil thoughts, like “someone has something against him”. He would snap and attack that person and beat them with fists or kick them with his foot – sometimes even in the store where he was shopping with Senta. We were shocked and couldn't see a way out. Did that mean we couldn't take him to public places and only keep him at home? We asked for medical help again – this time in Kronstadt in the psychiatric clinic. Going there **we experienced the tangible presence of God = His prepared works** = we were amazed that the doctors approached us with such kindness and empathy. We now hope to receive a small invalidity benefit for him.

What's most beautiful is, that Philippus has learnt to say: “**Jesus Christ is Lord!**” whenever the evil thoughts come. And really, when people that would normally scare him into aggression by talking loudly (fussing or cursing), he now offers them a hand and says: “We are friends – you don't have to yell that loudly.” Like that he rarely lifts his fists and if he does, he realizes it right away and asks for forgiveness. **Praise to Jesus!!!!**

We want to encourage you as well during the Christmas Holidays and for the New Year: **Jesus is the SAVIOUR!!!**

We want to thank all of you once again for supporting us, praying for us, encouraging us and donating towards the discipleship school students and other projects. May God repay you!!!

Another prayer request:

About 10 days ago the house of a young family from Rosenau (they were living there temporarily, it belonged to the wife's mother) burnt down completely. They were all sleeping inside, the father woke up smelling the smoke and was able to save the family, but the house burnt down completely. All they have left are the clothes they were wearing. The church helped them as much as they could to find an apartment for rent.
