April 2017

CHURCH ROOF

We now have at last a church roof, just in time for the rainy season which begins any day now. With the funds we had, we built a very simple roof. We also now have a platform for the worship group! We wish to thank

the people who gave generously for us to complete the work. Most

important of all – we also have a working toilet thanks to Pastor Juan Carlos and his team who have worked so hard. Each week we have new people coming to the church and we believe very soon we will have to buy more chairs!

BLESSINGS & BBQ

On a Sunday church morning in April, we decided to have a service, to bless at the altar, a piece of everyone's work. After a powerful

worship time, and an anointed word, everything from carpenter

and masonry tools to clothes, to tomatoes, black beans and a motorbike were prayed over and blessed by Juan Carlos, Miriam, Christa and myself. I then felt so humbled to pray along with 6 people who received

Jesus Christ as their Lord and Saviour! O Hallelujah, hallelujah, hallelujah! All the angels in heaven were rejoicing on that day. There is nothing better than seeing the Lord draw people to Himself. Glory to God!

After the church service we had some fun with the children (and adults!) with a piñata. A piñata is a paper figure filled with sweets which the children attempt to strike it with a stick hoping to break it open and the sweets fall out. Then they all dive down to the ground (including some adults!) to get as many sweets as possible. A great, great nation-wide occasion for fun and laughter.

To finish the day off, the smell of the cooking brought many hungry people to the front of our building where some of the ladies had prepared a truly marvelous BBQ. There was more than enough for everyone. Our thanks go out to all the people who prepared such a lovely day.

PASTOR JUAN CARLOS TESTIMONY

We have included a truly powerful testimony of Pastor Juan Carlos which happened in December 2015. He shares with us all how he became extremely ill, having had 3 operations, was pronounced dead in hospital by the doctors. His wife, Miriam, refused to accept his death, and for 2 hours prayed over his body casting out the spirit of death, and Juan Carlos rose from the dead shocking the doctors and the family who were there! You can read his own personal testimony on our website

at <http://finalharvestministries.net/index.php/newsletter/> We all move in faith, some more than others, but the word is very clear and has not changed: "Heal the sick, cleanse the lepers, **raise the dead**, cast out devils: freely ye have received, freely give." **Matthew 10:8 KJV.**

We enclose some photos of him looking like a skeleton and then the after photos a few months later! We were all involved (including some of you) in helping Juan Carlos to recover, also our missionary friends Joe and Karin Bedford where he stayed for a couple of months, to ensure he received proper treatment and care.

PRAYERS

We ask you prayer warriors to lift us up in your prayers for our health, especially a miracle for Jeff's back, which, at the moment has worsened, but we believe for a miracle.

Please pray for our safety as Guatemala is now the second most dangerous country in the world.

Our finances! The US dollar has weakened so much that we have lost quite an amount of money in the rate of exchange. We have also lost the support of two churches that have decided not to support us anymore.

Helps Fund which empties very quickly. The needs here are tremendous, and often when the Helps Fund is empty we use our own money to help others.

Many thanks for your support for almost **24 years**. The Lord is coming back real soon and we need to continue with urgency to share the Good News.
