May/June 2017

FIRST ANNIVERSARY OF OUR CHURCH – GOD OF LOVE

This month we celebrated the first anniversary of our church and doesn't the time fly by! It seems like only last month that we were cleaning up the area and laying concrete, and here we are now with over 60 members which includes children. There was a lot of hard work put into this wonderful celebration, but it was worth it. The spirit, the soul and the stomach were well fed!

(Jeff with Pastor Israel)

(Our children are taught to be true worshippers)

We invited another local church, well known to both of us, Living Water Ministries in Dueñas, along with El Shadday church from the town of Chimaltenango. Their evangelist, Pastor Israel preached a really anointed message to us all. Another great local worship group from the town of Pastores came and ministered and celebrated with us with over 250 people attending. Sarah Bedford, the daughter of our missionary friends

Joe and Karin had been spending a few weeks training our dance team especially for this day. What a wonderful surprise! We finished the day off with a raffle which I Jeff, won a massive sized Bible but decided to donate it for someone else to win. I found out later that the lady who won it had been praying for that very bible. Isn't God good?

EVANGELISTIC MIRACLE EVENING

A few days prior to our celebrations we held a Miracle Evening Service, where Jeff preached a short message before praying for the sick. Having seen our young pastor raised from the dead, people came forward for healing plus also a word from the Lord. One leg actually grew out in front of us and someone else was immediately healed of a headache. The greatest miracle that happened on that night, however, was to see a young man come to the Lord. Hallelujah, God is so good!

CHRISTA TEACHING

On our leaders meeting it was felt that if the church was to grow spiritually that they would need to receive some basic Christian teachings. Christa spent some weeks preparing some very important messages to give to the church, and this month they received teachings on the Gifts of the Holy Spirit. It is good even for me to listen to the basic teachings again, as you always learn something new.

FUEGO (FIRE) VOLCANO

Fuego, the local volcano close to us, has, over the past few days had been spewing smoke and ash all over the place. Christa cleaned her car because the ash burns into the paint, but within a few hours it was covered again. Twice in one day she had to clean it. Me? I keep mine in the garage! 😊 The volcanic lava is not too much of a danger to us as we have a couple of valleys between it and us. But lately it has been very active.

(taken from our house)

EARTHQUAKES

We are quite used having earth tremors and seeing the house shake from side to side, but this month we had at 1.30am in the morning we had a 6.9 magnitude which rocked the house for nearly one minute. Some houses closer to the magnitude were destroyed and we thank God that only one life was lost. It makes one think back to the earthquake in 1976 when Guatemala had a 7.5 Magnitude in the middle of the night killing over 25,000 people and injuring just as many. Please keep us in your daily prayers for our safety.

PRAYERS

1. For our safety and security
2. For our health (especially Jeff's back)
3. For finances. Our "Helps Fund" is empty again!

Many thanks for your support for almost **24 years**. The Lord is coming back real soon and we need to continue with urgency to share the Good News.
