ENCOUNTER WEEKENDS

This month we held two Encounter Weekends one for the men and one for the women. These are normally held for new converts to the church and involve a time of inner healing, deliverance and establishing their new identity in Jesus Christ, as they are integrated into the River of God (win-consolidate-disciple-send out).

MOTHER'S DAY

This year Mother's day was celebrated in the church and our Mariachi Group played for the mothers and, of course, the remainder of the church members. In the picture below you can also see some of the children dancing in their classes.

APOSTLE OVIDIO SANCHEZ

Ovidio Sanchez is one remarkable man! He is the covering for our church and another 18 churches that he helped to start. In this picture Ovidio is seen with his wife and parents. He is one of 13 children, one which died at birth, whilst the other 12 all became pastors! Ovidio and his wife had 10 children, 6 of which died and the other 4 became pastors! Yes, one remarkable family.

GOD IS GOOD ALL THE TIME

This month Christa and I went to see a family who needed prayer for various ailments. I had some time ago prayed for the little girl in the picture who had asthma – she was healed completely! On this time we prayed for the father who had kidney problems and pains in his head, and also for the grandmother for asthma. We believe they have also been healed. It is a joy to see healings happening and the power of God moving in this town. What a joy to serve the King or kings.

BABY JEFFREY

Again, many, many thanks to everyone who contributed towards the hospital bill for baby Jeffrey. He now weighs over 9 pounds and is a great joy to us. God bless you all and thank you for your continued prayers and financial support
